Debate Judges - How do I get Started?

Nationals is using online balloting for debate. Online balloting will help us to run smoothly and on time, but only if judges are prepared ahead of time. You can vote on your computer, phone or other device, and write feedback up until the end of the tournament. Please bring a reliable mobile device. Tablets are a bit easier to use than phones, but either will work.

3. Once your account is created, click "Link Your Account" under the Judge header and follow instructions there.
4. Link to the Account that says GRAND NATIONALS
